## GENERAL INDEX

HILL DIRECTORY COMPANY, publishers of Southeastern Directories, present to subscribers and the general public, this, the latest edition of the Tarboro City Directory. (In all, the HILL DIRECTORY COMPANY and its affiliated companies publish more than 1,400 city, county, state and national Directories).

Confidence in the growth of Tarboro's industry, population and wealth, and in the advancement of its civic and social activities, will be maintained as sections of this Directory are consulted, for the Directory is a mirror truly reflecting Tarboro to the world.

The enviable position occupied by HILL'S Directories in the estimation of the public, has been established by rendering the best in Directory service. With an unrivaled organization, and having had the courteous and hearty cooperation of the business and professional people and residents, the publishers feel that the result of their labors will meet with the approval of every user, and that the Tarboro City Directory will fulfill its mission as a source of authentic information pertaining to the community.

### Four Major Departments

The four major departments are arranged in the following order:—

I. THE BUYERS' GUIDE constitutes the first major department of the Directory, printed on yellow paper. In the first section of this department, grouped under appropriate headings, are included the advertisements and business cards of firms and individuals desiring to make a complete presentation of their products or services. Following this is the Classified Business Section, which embraces a list of the names and addresses of all business and professional concerns of the community, arranged in alphabetical order under appropriate headings—a catalog of all the activities of the community. The Buyers' Guide represents reference advertising at its best, and merits the attention of all buyers and sellers seeking sources of supply or markets for goods. In a busy and diversified community like Tarboro, the necessity of having this kind of information up-to-date and always immediately available, is obvious. The Directory is the common intermediary between buyer and seller, and plays an important role in the daily activities of the commercial, industrial and professional world.

II. THE ALPHABETICAL LIST OF NAMES of residents, business and professional concerns is the second major department, printed on white paper. This is the only record in existence that aims to show the name, marital status, occupation and address of each adult resident of Tarboro, and the name, official personnel, nature and address of each firm and corporation in the community. A special feature of this section is the listing of telephone numbers.

827892

III. THE DIRECTORY OF HOUSEHOLDERS, INCLUDING STREET AND AVENUE GUIDE is the third major department, printed on green paper. In this section, the numbered streets are arranged in numerical order, followed by the named streets in alphabetical order; the numbers of the residences and business concerns are arranged in numerical order under the name of each street, and the names of the householders and concerns are placed opposite the numbers. The names of the intersecting streets appear at their respective crossing points on each street. Special features of this section are the designation of owner occupied homes, the listing of telephone numbers, new householder symbols and Zip Codes.

IV. THE NUMERICAL TELEPHONE DIRECTORY is the fourth major department, printed on blue paper.

This publication also contains an Edgecombe County Rural Residents Directory printed on white paper immediately following the Numerical Telephone Directory.

## Community Publicity

The Directory reflects the achievements and ambitions of the community, depicting in unbiased terms what it has to offer as a place of residence, as a business location, as a manufacturing site, and as an educational center. To broadcast this information, the publishers have placed copies of this issue of the Directory in Directory Libraries, where they are readily available for free public reference, and serve as perpetual and reliable advertisements of Tarboro and vicinity.

## The Tarboro Out-Of-Town City Directory Library

Through the courtesy of the publishers of the Tarboro City Directory, a Directory Library is maintained in the offices of the Tarboro Merchants Assn. and Chamber Of Commerce, Inc. for free reference by the general public. This is one of more than 800 Directory Libraries installed in cities and towns throughout the United States, Canada, and Puerto Rico through the courtesy of your publisher.

The publishers appreciatively acknowledge the recognition by those progressive business and professional people who have demonstrated their confidence in the City Directory as an advertising medium, with assurance that it will bring a commensurate return.

## General Review

Edgecombe County, assessed valuation rate $1.50 per $100. Total County debt $1,735,000 (June 30, 1973).

Tarboro, county seat of Edgecombe County, is located in the coastal plain section of North Carolina, in the center of one of the State's finest agricultural areas producing tobacco, cotton, peanuts, corn and feedstuffs. Located within the town zoning area are 13 manufacturing plants employing a total of approximately 5,700 people. Eight of these plants manufacture a variety of woven and knitted textile products, others produce plastic toys, communication cable, farm machinery, power tools and wall laminates. Native labor is employed in the Tarboro plants and employee-manager relationship has been noted for smoothness of operation and good will.

Tarboro, the home of Carolina Telephone and Telegraph Company which serves about 100 municipalities in eastern North Carolina.

Incorporated in 1760, Tarboro has shown steady progress in growth. The retail business section, with its modern stores and progressive merchants, is one of the finest in the south for any city of comparable size. A wide selection of merchandise is offered in the stores and the local citizen can fulfill all his needs right at home.

In addition to its diversified industry, Tarboro is a very important tobacco market. Six large, modern auction warehouses handle the leaf

sales and buyers representing all domestic and foreign companies are on hand for the auctions. For the past several years Tarboro has shown a gratifying increase in the number of pounds sold each year and is rapidly becoming one of the best markets in the Bright Leaf Tobacco Belt. Production and marketing of cotton and peanuts have also played a very important part in the city's growth.

Tarboro boasts two modern hospitals. The modern Edgecombe General Hospital, completed in 1959, is open to all races, also the Quigless Clinic. The health of a community plays a vital part in the stability and progress, not only of the community itself, but of the nation as a whole, and Tarboro is fortunate in having these fully-equipped hospitals with their well-trained staffs. They serve patients from a wide radius, and the doctors who practice in the hospitals are considered among the finest in the State.

Tarboro operates its own electric system, furnishing an ample supply of power both for industry and home needs. The profits derived from the Municipal Light and Power System have contributed towards keeping the city in excellent financial condition, with a low bonded debt and a low tax rate. The city also has a modern water purification plant which was built during the mid-thirties, with an addition added in 1958. This plant is large and modern in every respect, and is adequately equipped to take care of the city's present and future needs.

Tarboro is served by a network of well paved roads which include U. S. Highways 64 and 258. The Seaboard Coast Line Railroad Company serves the city and offers excellent connections to all parts of the country. Excellent bus connections are available to all parts of the State.

The Town of Tarboro operates a recreation department under a full-time director, Mr. Brent Braswell and his staff. The department directs numerous programs for people ranging from small fry to senior citizens. They cover a wide variety of athletic and cultural activities.

The Municipal Swimming Pool in Tarboro is one of the finest in the South. Tarboro citizens can well be proud of this splendid outdoor pool which is open day and night to swimmers of all ages. Year after year, Tarboro has produced outstanding swimming teams which have won more than their share of trophies and records in swimming meets both

Wilson Teen Center is open to teenagers on Friday and Saturday nights during the school year and during the summer it is open five days a week from 1 - 5.

Of special interest to the visitor is the Town Common which is one of the most beautiful parks in the State. Its massive oak trees have afforded shade for generations and it is a favorite gathering place for children and grown ups. Visitors will also want to see the trees growing in the Calvary Episcopal church yard, including a cork tree, brought from every continent of the world.

Tarboreans are proud of the Common, the only Common south of Boston, a tract of land situated in the heart of the city, where stately oaks and flowering dogwood trees make it a place of beauty.

Adjoining Tarboro on the south is the Town of Princeville which is the only incorporated Negro community in the State. Princeville was incorporated in 1885.

Edgecombe County was formed in 1732. Bounded by Halifax, Martin, Nash, Pitt and Wilson counties, it is in the center of the Bright Leaf Tobacco belt of the Carolina Coastal Plain. Within its borders are five hundred and fifteen square miles of rich agricultural land which produce tobacco, peanuts and cotton in great quantity. The sandy loam of Edgecombe County is ideal for the raising of flue cured tobacco. This valuable crop is grown in all parts of the county and contributes materially to the wealth of this section. Plant disease is rare, and the better grades of tobacco predominate. Ranking sixth in the state in value of crops and livestock, Edgecombe County depends largely on the soil to

The Tar is active with outboard motor boats and the river feeds into Pamlico Sound. Various communities throughout the County offer recreational facilities in the form of ball parks, fishing facilities, etc.

In conjunction with Edgecombe County, the town helps support a non-profit Industrial Development Organization which has successfully added to the towns industrial growth.

A newly formed Historical Society has established a museum for permanent housing of many valuable collections relating to the rich history of Tarboro and Edgecombe County.

# PLEASE! Do Not Lend Your CITY DIRECTORY

## IT COSTS YOU MONEY—Every Time it Is Loaned

The practice of lending your City Directory, in a great measure, is responsible for the increasing cost of Directory Service.

The reason is:—

There is a definite cost involved in the making of the DIRECTORY of Your City.

THIS COST MUST BE ABSORBED BY THE SUBSCRIBERS—BE THEY ONE—OR BE THEY 1000.

If there were but ONE SUBSCRIBER to the CITY DIRECTORY—THE ONE SUBSCRIBER would of necessity have to absorb THE WHOLE COST.

If there were 100 SUBSCRIBERS—each one would have to absorb 1/100 PART OF THE WHOLE COST.

If there were 1000 SUBSCRIBERS—each one would have to absorb 1/1000 PART OF THE WHOLE COST.

From which it is obvious that the GREATER the number of subscribers—the LESSER the cost to each.

And

It is also obvious that the LESSER the number of subscribers—the GREATER the cost to each.

Every time you loan your City Directory the LESS NECESSITY THERE IS FOR THE BORROWER TO SUBSCRIBE FOR THE SERVICE.

MORE BORROWERS result in FEWER SUBSCRIBERS which means INCREASED COST.

# Common Sense About City Directory Circulation

THE TRUE VALUE of advertising circulation is circulation consulted.

TO BE EXACT by actual survey in twenty-four average American cities by actual count each City Directory averaged three and one-half consultations for each business day.

TO BE CONSERVATIVE we will eliminate the sixty Sundays and Holidays when no tests were made.

FOR EVERY THOUSAND DIRECTORIES sold there will be an average of three and one-half consultations for each book for THREE HUNDRED and FIVE days, therefore 1000 x 3½ x 305= 1,067,500.

CONSULTATIONS OR CIRCULATION CONSULTED

# Don't Use An Old Directory!

One address taken from an old Directory may send you miles out of the way and waste a whole day's time. You take pride in keeping a fresh stock of merchandise on your shelves—

**Why not avail yourself of fresh information for your daily use?**

# VITAL INFORMATION AT YOUR FINGER-TIPS

★ Tens of thousands of people who were formerly strangers to the City Directory are consulting it on questions of citizenship, employment, sources of supply, communications, etc. Also, Directory usage is up among regular subscribers.

*More People Are*

# CITY DIRECTORY ADVERTISING IS *National* ADVERTISING

★ Each edition of your City Directory is widely distributed to free-reference City Directory Libraries located at the Chambers of Commerce of Hundreds of other cities.

★

Therefore your ad in the City Directory is seen by buyers from coast-to-coast

# When You Want to Know:

—where a person lives.

—what his occupation is.

—who lives at a certain number on a street.

—where a street is located.

—the correct spelling of a name.

—the officers of a corporation.

—the partners in a firm.

—the solution to any of scores of problems that pop up unexpectedly to annoy and baffle you.

**—you can quickly find the answer in the City Directory.**

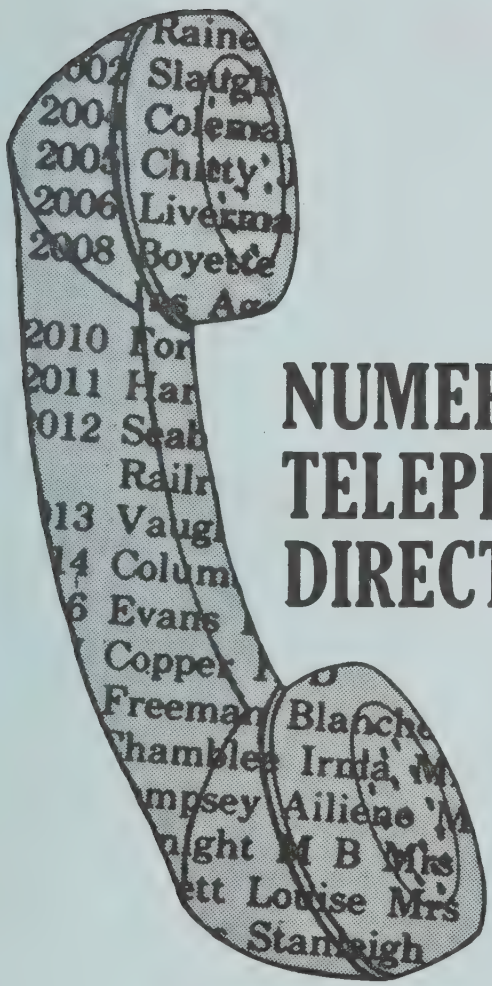
# Power of Advertising

THE CITY DIRECTORY is the power that generates information for the buyer that he may know who deals in the product he wishes to purchase. If your business is not classified properly, and a display advertisement arranged to describe your business, how can you expect the buyer to trade with you?

ADVERTISING is the foundation upon which successful businesses are built. You must apply this to your own particular business.

ADVERTISING is the power of an idea multiplied.

# Our Service Cannot Be Excelled



# NUMERICAL TELEPHONE DIRECTORY

The Telephone Numbers and names in this Directory were supplied to us during our regular door to door canvass.

This Directory is designed to assist you in providing additional information when only a telephone number is available.

# NUMERICAL TELEPHONE DIRECTORY
## BLUE PAGES

This Directory takes the "mystery" out of blind numbers. It lists telephone numbers in numercial sequence, making it easy to "decode" blind phone numbers in classified ads—especially valuable for real estate agencies, used car dealers, etc.

## WHAT'S IN A PHONE NUMBER?

**ABOUT THE FIRM:**
Who called me? When your call back message gives a telephone number only—or includes a common surname such as Jones, Smith, Brown, etc.—this Numerical Telephone Directory will assist in determining correct firm name. Make use of both Alphabetical and Street Guide information to establish names of officers, owners or partners, products and services, and correct address. Properly identify firm and caller and have needed records, file or correspondence on hand before returning call.

**ABOUT THE INDIVIDUAL:**
Who called me? When only a telephone number is known, this Numerical Telephone Directory will assist in determining the name of the subscriber—with this information combined with other sections of your City Directory you may quickly establish such information as wife's name, place of employment, job title, home address, business address and telephone number.

# CAUTION . . . .

Pay no money in advance to itinerant Directory Canvassers. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of the publisher of this City Directory printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take advance payment for either advertising or subscriptions.

# A STATEMENT OF ADVERTISING PRINCIPLES

1. Good Advertising ~ aims to inform the consumer and help him to buy more intelligently.

2. Good Advertising ~ tells the truth, avoiding misstatement of facts as well as possible deception through implication or omission. It makes no claims which cannot be met in full and without further qualification. It uses only testimonials of competent witnesses.

3. Good Advertising ~ conforms to the generally accepted standards of good taste. It seeks public acceptance on the basis of the merits of the product or service advertised rather than by the disparagement of competing goods. It tries to avoid practices that are offensive or annoying.

4. Good Advertising ~ recognizes both its economic responsibility to help reduce distribution costs and its social responsibility in serving the public interest.
